Section 3. **PROCEDURES** - Professional Standards hearings and the organization and procedures incident thereto shall be governed by the CODE OF ETHICS AND ARBITRATION Manual of the National Association of REALTORS®, as from time to time amended, which by this reference is made part of these Bylaws.

Section 4. **RESIGNATION OF MEMBERS** – If a member (as defined in Article II, Section 4 of these bylaws) resigns from the association or otherwise causes membership to terminate with an ethics complaint pending, the complaint shall be processed until the decision of the association with respect to disposition of the complaint is final by this association (if respondent does not hold membership in any other association) or by any other association in which the respondent continues to hold membership. If an ethics respondent resigns or otherwise causes membership in all Boards to terminate before an ethics complaint is filed alleging unethical conduct occurred while the respondent was a REALTOR®, the complaint, once filed, shall be processed until the decision of the association with respect to disposition of the complaint is final. In any instance where an ethics hearing is held subsequent to an ethic respondent's resignation or membership termination, any discipline ratified by the Board of Directors shall be held in abeyance until such time as the respondent rejoins an association of REALTORS®.

a) If a member resigns or otherwise causes membership to terminate, the duty to submit to arbitration (or to mediation if required by the association) continues in effect even after membership lapses or is terminated, provided that the dispute arose while the former member was a REALTOR®. Failure to meet the requirement in any three year cycle will result in suspension of membership for the first two months (January and February) of the year following the end of any three year cycle or until the requirement is met, whichever occurs sooner. On March 1 of that year, the membership of a member who is still suspended as of that date will be automatically terminated.

Fair Housing training approved by a state licensing authority for an existing Fair Housing requirement to gain or maintain licensure shall also fulfill this requirement, provided it also meets the learning objectives and minimum criteria established by the NATIONAL ASSOCIATION OF REALTORS® from time to time. This requirement does not apply to applicants for REALTOR® membership or provisional members who have completed comparable orientation in another association, provided that REALTOR® membership has been continuous, or that any break in membership is for one (1) year or less.

Failure to satisfy this requirement within 180 days of the date of application (or, alternatively, the date that provisional membership was granted), will result in denial of the membership application or termination of provisional membership.

Section 8. **CONTINUING FAIR HOUSING TRAINING** - Effective January 1, 2025, through December 31, 2027, and for successive three-year periods thereafter, each REALTOR® member of the association (with the exception of REALTOR® members granted REALTOR® Emeritus status by the National Association) shall be required to complete Fair Housing training of not less than two (2) hours of instructional time. Fair Housing training approved by a state licensing authority for an existing Fair Housing requirement to maintain licensure shall also fulfill this requirement, provided it also meets the learning objectives and minimum criteria established by the NATIONAL ASSOCIATION OF REALTORS® from time to time. REALTOR® members who have completed Fair Housing training as a requirement of membership in another association shall not be required to complete additional Fair Housing training until a new three-year cycle commences.

Failure to satisfy the required periodic Fair Housing training shall be considered a violation of a membership duty. Failure to meet the requirement in any three-year cycle will result in suspension of membership for the first two months (January and February) of the year following the end of any three-year cycle or until the requirement is met, whichever occurs sooner. On March 1 of that year, the membership of a member who is still suspended as of that date will be automatically terminated.
